**COMPETITION RULES**

Submit visionary work demonstrating new or experimental concepts in expressive, cutting-edge hair. Entries should reflect good taste and aesthetically pleasing images. This is not a fantasy category but a display of fashion forward, unique and edgy styles. Fantasy is defined as extravagant and unrestrained imagination, wondrous or strange. Avant Garde represents a pushing of the boundaries of what is accepted as the norm and refers to works that are experimental or innovative.

Let your imagination be your guide, using hair as your medium to express an Avant Garde look. Competitor will be required to provide a magazine tear sheet or brief paragraph describing what inspired you to make your design and the name of your design.

*NOTE: Contest is “unisex” - male or female mannequin may be used. Note, however, that separate awards will NOT be given to male vs. female mannequins.

**MANNEQUIN:** Any type of mannequin is acceptable. You must provide your own mannequin and table clamp mannequin holder. Tripods are allowed during the competition, but final looks must be judged on table clamp stands.

**PREPARATION OF THE HAIR:** The hair may be pre-cut and colored as well as pre-set (i.e. in rollers, etc.) but all implements (rollers, pins, etc.) must be removed and hair brushed back at the start of the competition. Hair may not be pre-styled (finished) at the start of the competition.

**STYLING:** All styling tools are allowed. One electrical outlet is provided for 1800 WATT maximum.

**ORNAMENTATION AND ARTIFICIAL HAIR:** Both ornamentation and artificial hair are allowed but may not be pre-attached. Ornamentation and artificial hair may not cover more than 50% of the surface of the head. No full wigs are allowed.

**COLOR:** Any hair color is allowed and must be pre-done. No spray colors are allowed on site, but may be used for pre-done color.

**MAKE-UP / PAINT:** All make-up and painting is allowed and may be pre-done.

**CLOTHING / COSTUMES / PROPS:** All must be appropriate for public presentation to all ages. Neither costumes nor props may extend beyond a three foot radius from the competitors assigned area. Make-up and costuming may be pre-done.

*NOTE: Ten (10) minutes are allocated after each competition to dress and accessorize the mannequin. Any clothing must not extend below the bust. During judging, mannequins are put on the holder affixed to the dressing tables.
